

School Council

Our children take part in an election process to become a member of the School Council.

Successfully elected members represent the children in their class on a variety of different educational and social matters. The members meet during the term with the Head teacher to share the views of the pupils.

This term we have:

- Some of the children in Year 3/4 met with the local MP Mr Guy Opperman.
- Talked about playtime activities and what the children would like to spend some money on.
- Talked about reading.
- Talked about how we keep safe at Bellingham and how to share our worries.

Our School Council Members are: Reuben, Willow, Nyala, Aiden, Erin, Harvey, Jayden, Evie, Codi and Grace

Have a look at our notice board in school for more information.
