Today is the start of National story telling week and we are celebrating with lots of stories during the week. If children would like to bring in their favourites stories, we will aim to read as many as we can throughout the school day.

On Friday 2nd February it is Number Day. To celebrate Number Day we will be taking part in lots of different Maths activities. You can come to school dressed in a number style outfit or as a timetable rock star. We will also be taking part in times table rock star challenges.

STEM Day at Haydon Bridge High School

On Tuesday 6th February, Year 3 and 4 children from Bellingham Primary, Allendale Primary, Henshaw C of E Primary, Greenhead C of E Primary and Shaftoe Trust will be coming together to take part in a STEM day at Haydon Bridge High School. This is an opportunity for the year 3 and 4 pupils to meet other children, develop inter-school relations and their STEM skills. A letter will be sent out this week with further information.
