

## PE, Sport & Physical Activity Statement 2023-24

It is a statutory requirement for primary schools to publish, on their school websites, how much PE and sport premium funding they receive, a full breakdown of how they have or will spend the funding, the effect of the premium on pupils' PE and sports participation and attainment, and how the school will make sure these improvements are sustainable. One of the key purposes of putting information on the school website is to keep parents informed, so this information should be written in a format that is clear and easily accessible. It is expected that schools will see an improvement against the following five key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

### **How to use the primary PE and sport premium**

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that you should use the premium to:

- Develop or add to the PE and sport activities that your school already offers.
- Make improvements to the current teaching of PE that will benefit pupils joining the school in future years.

For example, you could use your funding to:

- Hire qualified sports coaches to work with teachers.
- Provide existing staff with training or resources to help them teach PE and sport more effectively.
- Introduce new sports or activities and encourage more pupils to take up sport.
- Support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs.
- Run sport competitions.
- Increase pupils' participation in the school sports games.
- Run sports activities with other schools.

The PE and sport premium grant cannot be used to employ coaches or specialist teachers to cover planning, preparation and assessment (PPA) arrangements or to provide swimming lessons for pupils.

Increased cost in transportation to cover participation in competitions.	£2000	Use of Mini bus Hire/Fuel Coach Hire Staff Cover to attend events	Monitor travel and transportation costs.	Supporting participation in external events and competitions.

Cost - £ £16533

Ensuring that there is an increase in day to day physical activity across the school has resulted in improvements in general wellbeing. Working alongside staff to maximise the opportunity for Physical Activity throughout the day has been beneficial to all pupils – active break times and lunch times, Daily Mile and celebrating National School Sports Week has helped put PESSPA back at the heart of our school. Involving our parents/carers with a survey has added value to our offer and emphasised the importance placed on our children's Physical and Mental Wellbeing.

Swimming Year 6 2023-24

No pupils in Year 6
